GAMME CLEANING

Solution nettoyante 100ml + Chiffon

La **solution nettoyante** sans alcool élimine efficacement poussière, traces de doigts, et taches de gras, sa couleur bleue rappelle la clarté de l'eau.

Le **chiffon antistatique** assure un nettoyage sans traces.

Le plus : le chiffon situé dans le capuchon simplifie le rangement.

The image displays the product packaging and its components. On the left, a 100ml bottle of cleaning solution is shown with dimensions: a height of 10.5cm and a diameter of 4cm. The bottle label features the Meliconi logo and text in Italian, English, and French: 'SOLUZIONE DI PULIZIA', 'CLEANING SOLUTION', and 'LIQUIDE NETTOYANT'. To the right, a blue microfiber cloth is shown, labeled 'INCLUDED' in red, with dimensions of 15x15cm. Below the cloth, an open box of 'SCREEN CLEANER' is shown, with a blue arrow pointing to a blister pack containing six individual 100ml bottles. To the right of the packaging are icons for 'TV', 'PC', and 'TABLET', indicating the product's application for these devices. At the bottom, a caption reads: 'Un sur emballage qui s'utilise comme présentoir!' (An over-packaging that is used as a display!).
